

ALESSANDRO MANFREDINI

Alessandro Manfredini has been head of Group Security and Cyber Defence at A2A Group since April 2016, Sole Director of the Group's A2A Security S.C.p.A. company and president of the executive board of AIPSA (Associazione Italiana Professionisti della Security Aziendale – the Italian association of corporate security professionals).

He is also a UNI 10459:2017 certified Senior Security Manager.

Born in Bra, Italy, in 1973, after attending the Accademia Militare in Modena, Italy, he graduated in Law at the Università degli Studi "La Sapienza" in Rome, and in Internal and External Security at the Università "Tor Vergata" in Rome.

After a decade of experience as an officer in the Carabinieri law enforcement corps, he worked as Security Manager for the Gruppo Espresso, Head of Corporate Security and General Services for Italo-Nuovo Trasporto Viaggiatori, and was founder of AlfaMike Consulting, a risk management consultancy firm.

Conference speaker and university-level seminar and training course tutor, he is specialized in enterprise security, data protection and cyber security, fraud management, and models of organization and management.
